Learn the Song 'What Love Can Do'

By Lisa McCormick

WHAT LOVE CAN DO by Lisa McCormick

INTRO: ||: D / D / G / G :||

VERSE 1:
D D
It's so good to see you happy
G G
So good to see you so alive
D D
It's been a long dark passage
G G
Through a long hard time
D D
You didn't know if you'd ever get here
G G
Clear on through to the brighter side
D D
But today you can look back and say
G G
Your new life has arrived

PRE-CHORUS:
A A
Cause I can see she makes you happy
A A A
And you make her happy too

CHORUS:
D G
Ain't it some kind of miracle
D G
Ain't it some kind of miracle
D G
Ain't it some kind of miracle
A A A A
What love,
D G A A
What love can do
D G A A
Oooooo

VERSE 2:
D D
Sometimes it only seems impossible
G G
That our lives could ever change
D D
We stay tied to the unrepairable
G G
Long past the expiration date
D D
Paralyzed by the nightmare
G G
Of untangling our lives
D D
From the comfort zone of what we've known
G G
To the wide uncharted skies

PRE-CHORUS:
A A
Cause I can see she makes you happy
A A A
And you make her happy too

CHORUS:
D G
Ain't it some kind of miracle
D G
Ain't it some kind of miracle
D G
Ain't it some kind of miracle
A A A A
What love,
D G A A
What love can do
D G A A
Oooooo

BRIDGE:
Em Em A A
I love to see the spirit sparkle in your eyes
Em Em A A
I love to see you free your sweet and easy smile

CHORUS: (same as previous chorus)
D G
Ain't it some kind of miracle....

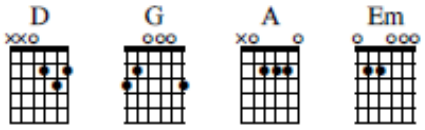

(End on D)
