By Lisa McCormick

WHAT LOVE CAN DO by Lisa McCormick

INTRO: ||: D / D / G / G :||

VERSE 1:

It's so good to see you happy
So good to see you so alive
It's been a long dark passage
Through a long hard time
You didn't know if you'd ever get here
Clear on through to the brighter side
But today you can look back and say
Your new life has arrived

PRE-CHORUS:

Cause I can see she makes you happy
And you make her happy too

CHORUS:

Ain't it some kind of miracle
Ain't it some kind of miracle
Ain't it some kind of miracle
AAAA
What love,
What love can do
Oooooo

VERSE 2:

Sometimes it only seems impossible
That our lives could ever change
We stay tied to the unrepairable
Long past the expiration date

Paralyzed by the nightmare
Of untangling our lives
From the comfort zone of what we've known
To the wide uncharted skies

PRE-CHORUS:

Cause I can see she makes you happy
And you make her happy too

CHORUS:

Ain't it some kind of miracle
Ain't it some kind of miracle
Ain't it some kind of miracle
AAAA
What love,
What love can do
Oooooo

BRIDGE:

I love to see the spirit sparkle in your eyes
I love to see you free your sweet and easy smile

CHORUS: (same as previous chorus)

Ain't it some kind of miracle....

(End on D)
